

REGISTRATION FEE AND TUITION AGREEMENT: In making application for my child, it is my desire to have them complete the 2017-2018 school year. I understand that the policy of the school is to make no refunds of registration fees.

I understand that tuition may be paid annually or in monthly increments. If paid annually, a 3.5% discount will be given if the annual payment is made no later than August 31, 2017. Tuition may also be paid under one of three monthly installment plans; 12 months – June 2017 through May 2018, 10 months – August 2017 through May 2018, or 9 months – September 2017 through May 2018. All monthly tuition will be collected by SMART Tuition Management Services. Payments may be sent to them directly or you may have them automatically deducted from your checking account. If tuition is to be paid monthly, please also complete the SMART Tuition Enrollment Form along with this registration form. A late charge of \$10.00 will be assessed to your account if any payment is not received within 10 days of the payment due date.

I further understand that should payments fall 60 days behind, students will no longer be allowed to attend classes until the tuition is brought current or special arrangements have been made with the administrator.
