## 2018-2019 Tuition Rates

The tuition rates for the 2018-2019 school year, are shown in the table below. The amounts are shown for four different payment plans. The annual amount is shown for those who wish to pay the full tuition rate at one time. If annual payment is made by August 31, 2018, you may deduct 3.5% from the annual tuition amount shown.

Monthly rates are also shown for paying tuition in installments of 9, 10, or 12 months. For the 12-month plan, payments begin June 1, 2018, and continue through May 1, 2019. Payments for the 10-month plan begin August 1, 2018, and continue through May 1, 2019; and, payments for the 9-month plan begin September 1, 2018 and continue through May 1, 2019.

Our school uses SMART Tuition Management Service for all monthly payment plans. This allows some flexibility in your payment options and helps our school save on administration costs.
