

Awana Order Form

2019-2020

WELCOME to our Awana Clubs! We are excited your child(ren) will be joining us this year and want to share an exciting change starting this year. We feel studying God's Word and hiding it in our hearts is important and desire every child and parent to have that opportunity, so we are now offering Awana at one low fee. This fee will help offset material cost, award items and various other items. Your child will earn their handbook once they have completed the Start Zone then will earn their uniform once they have completed the first session in their handbook at no additional charge. We want to encourage the clubbers to keep studying their verses and memorizing God's Word by offering these items as a reward at the closing ceremony along with their patches/jewels as they continue through their handbook. Please note, the first handbook and uniform is free but if a replacement is needed we ask for help in covering that cost. Thank you!
